Our major fundraising event of the year is held annually in the fall

Dancin' for Dollars

with live band, dancing, silent auction and plenty of fun.

Purpose

In 2005 a small group of Manitobans recognized a need that was not being addressed by the health care system and decided to do something about it.

Mission

To provide assistance to women and men in Manitoba who are experiencing financial difficulties while undergoing treatment and follow up for breast cancer.

Testimonial

"This has truly been a gift from Heaven that I will treasure forever. You truly do understand how difficult life can get when a person gets sick.
God Bless all of you"
